SATURDAY
SEPTEMBER 19, 2026

11:00 PM – 5:00 PM
Walk begins at 11:00 AM

LAGUNA GRANDE PARK
Off Canyon Del Rey Blvd
Seaside, CA 93955

Dear Donor,

Sickle cell disease is an inherited blood disorder that affects individuals and families around the world. Many people who carry the sickle cell trait have no symptoms and may never know they have it unless they are tested. By increasing awareness, encouraging screening, and connecting families with education and resources, we can promote earlier diagnosis, improve access to care, and help those living with sickle cell disease and sickle cell trait lead healthier lives.

This walk will bring our community together to raise awareness, promote education, encourage testing, and support families impacted by sickle cell disease. Funds raised will help support community outreach, educational resources, patient support services, and future awareness initiatives.

YOUR DONATION—BIG OR SMALL—MAKES THIS WORK POSSIBLE.

*Thank you for honoring our mission and helping
us build a healthier, stronger community.*

All proceeds benefit
sickle cell education,
awareness, testing,
patient support services,
and future initiatives
in our community.

ALL DONATIONS ARE TAX DEDUCTIBLE.
